

Wave Hill Spring Garden Gala

The Board of Directors, Gala Chair Janet Mavec, the co-hosts and benefit committee invite you to Wave Hill's Spring Garden Gala on Wednesday, June 6, 2007.

A spring tradition, this festive party brings together 300 Wave Hill enthusiasts for a delightful evening beginning with cocktails at sunset in our glorious gardens at peak spring bloom. Accompanied by the 20's jazz of Michael Arenella and His Dreamland Orchestra, dinner will be served on our tented lower lawn, overlooking the Hudson River and Palisades.

This year we honor David O. Beim upon his completion of a remarkable seventeen years as Chairman of the Board of Directors. During his tenure, Wave Hill greatly expanded visitor amenities and programs, grew education offerings and dramatically increased access to our spectacular gardens. We also built an endowment that currently supports 20% of our annual operating budget

Join us for this fabulous event as we toast David Beim and give heartfelt thanks for his sure and steady years at the helm. Tables range from \$5,000 to \$25,000. Tickets begin at \$500. **For information, please call 718.549.3200 x310.**

Support for the Gala helps Wave Hill to maintain the excellence of its gardens, provide innovative education programs for young people, and present exciting visual and performing arts series in an unparalleled setting. Wave Hill expresses appreciation to Delany & Long for providing fabric for tent décor and to Mrs. John L. Strong for underwriting a substantial portion of the cost of printed invitations.
